- Accessories:** Corners, Complementary Tiles, Wall Caps, Post Caps and more. (See Accessories section of binder)

Special Installation Notes

Pattern: To achieve the appearance of French Country Villa® as shown in the catalog, either the top or bottom of each stone MUST be installed on a level or near-level position. Do not install stones vertically. Blend the stone on the wall from several different boxes to ensure proper color and size variation.

See catalog photos for recommended installation pattern.

Chalk Lines: Should be used by installer to ensure a straight and level pattern.

Grout Joints: A grout joint is recommended, stones should be placed about ½” apart from the back of the stone, depending on the angle on the stone. Keep joints tighter in areas where three or more stones intersect because the joint will appear larger after grouting. In other words, the more you rake the grout into the joint, the smaller the grout joint appears. The fuller the grout joint, the wider the joint appears.

Sealing: Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.

Freeze-Thaw: When installing stone in a freeze-thaw environment, extra care should be taken to ensure a full coverage of mortar on the back of each stone, which will prevent water pooling behind the stone after it's been installed.

Installation Info: Download Coronado's latest installation instructions at www.coronado.com for information on mortar and installation recommendations.

Profile Properties

Size: Stone sizes range from 2” to 7” in height and up to 18” in length (nominal).

Thickness: 1½” to 2”

Weight: 7 to 10 lbs. per square foot.

Packaging: Available in big boxes (110 sq ft Flats & 100 lft Corners) or Dura-Paks (15 sq ft Flats & 13.5 lft Corners).

When purchasing French Country Villa®, coverage is based on installation with a ½” joint at the back of the stone.

½” Full Smooth Brushed Grout Joint

FRENCH COUNTRY VILLA®
